Few, exacting users?  
The answer is 2VOICE once again.  
With the 2Voice wiring, villas and villa compounds  
can benefit from an integrated system

## ADVANTAGES

- Only three components are needed to supply customers with a system with video surveillance, intercom and double lock opening functions: all with only two wires and no additional devices.

## THE COMPONENTS OF THE SOLUTION

The new kit Ref. 1783/621 contains:  
1 power supply unit, 1 Signo video door phone, 1 Synthesi entry panel  
with frame and flush mounting box.
